

## CENTRIFY ZERO TRUST PRIVILEGE SERVICES SUPPORTED PLATFORMS FOR THE LATEST RELEASE

The following tables represent the supported operating system platforms in the latest Centrify Zero Trust Privilege Services release.

Looking for a previous platform version?

- We support our Authentication Service, Privileged Elevation Service, Audit and Monitoring Service releases for three years, and up to 5 years with Extended Support (available to customers with a Premium or Premium+ support agreement). Therefore, an older OS version associated with a previous Centrify release may still be supported.
